## OUR COLLEGE

Adusumilli Gopala Krishnaiah Technological Association, a Registered Society was revived by KCP Ltd. in 1975 to provide higher education facilities within the door steps of the Sugarcane producing families of Vuyyuru and neighboring villages. The Society with the support of local philanthropists and sugar cane growers started a Degree College in **13 acres** of land named as Adusumilli Gopala Krishnaiah & Sugar cane Growers' College (AG & SG College), which were inaugurated on 12<sup>th</sup> August, 1975 by the Honorable Chief Minister Sri JalagamVengala Rao.

Velagapudi Rama Krishna and Sugarcane Growers Educational and Welfare Society formed by KCP Ltd. extended financial support to run the college. To improve the physical amenities and to strengthen the academic programs in the college, the management of the college was taken over by the KCP Ltd. in 1994. The KCP Management desired to hand over the college to Siddhartha Academy of General & Technical Education in 2001-02, which came forward with a noble motive and progressive outlook to take over the management so as to serve the student community.

From a modest beginning in 1975 with 143 students, college emerged as one of the premier institutes in rural Andhra Pradesh with 1309 students and 56faculty. New programs like B.Com CA (2012-13) B.Sc. MCCs (2018-19), B.Sc. Aquaculture (2019-20), B.Sc. MSCs (2021-22), and B.Com E- Commerce (2021-22) were introduced in addition to the existing programs. The college has Post Graduate programs of M.Sc. Chemistry (2010-11) with Organic Chemistry as specialization, M.Com (2015-16) and M.Sc. Computer Science (2016-17) for the bright future of socially backward classes in and around Vuyyuru. Certificate courses, Skill Development courses, Skill Enhancement courses, Add on courses are introduced in the college to satisfy the academic pursuit of student community. Campus recruitment training is given high priority. 135 students are placed in the academic year 2022-23. Forty Eight (**48**) years of college in higher education has created a niche in this region by the unstinted support of the management.

In tune with the philosophy of the management which strives for progress the infra structure of the college is developed in an admirable manner. Well equipped laboratories, Library and reading room, Network Resources Center Indoor sports Auditorium, Gymnasium for both men and women, Yoga centre, E- class room with computer systems and LAN facility, Canteen, Women's hostel, common Rest rooms for girl students, Eight lane 400meters track,

Ball badminton, Basket ball, Volley ball cricket, Kho-Kho , Tenny –Koit and Kabaddi courts help the students to enrich their competence and improve themselves mentally and physically. A 25 Kv Solar Power plant and RO water plant serve the needs of the college.

The college is recognized under 2f and 12B and is affiliated to Krishna University, Machilipatnam. AG & SG College is accredited at “A” grade by NAAC securing 3.05 on a 4 point scale in 2017 (cycle-II). The college is conferred with Autonomous status from the academic year 2012 and acquired the prestigious ISO 9001:2015 certificate in September 2021.

### **VISION:**

- Continually seeking to earn the public's trust in all our actions and words.

## **ACCOUNTABILITY**

- The college assumes and demonstrates responsibility for our actions
- Continuously evaluates and improve the systems and policies
- Establishing clearly defined goals and objectives
- Ensuring that each action adds value to the college and society

## **HARMONY**

- The college always gives value and respect to all the stake holders opinions, perceptions and impressions
- Collaborating with the organizations and constituents with whom we work
- Promoting a safe, healthy and sustainable environment
- Enabling students to promote a commitment to public service through experiential learning.

## **GOALS**

- To inculcate punctuality, self discipline and build character among the students
- To develop leadership of high caliber and integrity
- To involve students in community service through NSS and NCC
- To encourage students to apply their knowledge to contemporary issues with compassion and love through Literary, Cultural, Science and Humanities Associations.
- To prepare students to meet the challenges of living through their academics by following the values.

## **OBJECTIVES**

- Educational enrichment of students to make them independent, self reliant and capable of self employment.
- To impart scientific and moral education for achieving academic excellence.
- To impart quality education especially to the underprivileged students of rural areas and economically backward sections of the society.
- To inculcate competitive spirit and cultivate humanitarian values in students To respond to the skill sets needed in this region by starting certificate courses, training programs and diverse programs
- To promote high levels of diverse achievements of the students by providing appropriate co-curricular and extra-curricular support.

## OUR MOTTO

### AtmaDeepo Bhava (Be a light unto yourself)

It was Buddha's last day in this mortal world. Ananda, his closest disciple was saying to Buddha "You came in our life as our light and delight. Who will show us this light now?" Buddha just opened his eyes and said "AtmaDeepo Bhava". He said "Just be a light unto yourself. Nobody can give this light to you". We all have to move towards this divine light that is hidden in each one of us.

1. B. A (Economics) (E.M)
2. B.Com General (E.M)
3. B. Com Computer Applications (E.M)
4. B.Sc ( Mathematics) (E.M)
5. B.Sc ( Physics) (E.M)
6. B.Sc ( Chemistry) (E.M)
7. B.Sc ( Computer Science) (E.M)
8. B.Sc ( Botany) (E.M)
9. B.Sc ( Zoology) (E.M)
10. B.Sc ( Aqua Culture) (E.M)
11. B.C.A ( Bachelors of Computer Applications) (E.M)

### Programmes offered (PG)

1. M.Sc. Chemistry (Organic)
2. M.Sc. Computer Science

### PROCEDURE FOR ADMISSION (UG)

Candidates must apply online in the OAMDC portal for admissions into B.A/ B.Com/B.Sc.B.C.A To get admission, candidates must have passed 10+ 2 level in the subject concerned. The eligible candidates need to register in the OAMDC portal.

Category A quota (Convener Quota) allotment will be made as per merit in OAMDC portal following reservations. Prescribed by the Government of A.P Notification for admission under Category B (Management) quota will be issued by the college after the completion of the Category A allotment.

### **Botany Lab:**

Botany department has the necessary infrastructure for conducting the experiments at UG level by using equipment and instruments like Laminar air flow, Hot Air Oven, Incubator, Digital PH meter, Digital Spectrometer etc.

### **Chemistry Lab:**

Centralized laboratory is established with the sophisticated equipment like Calorimetry, UV-Visible double beam spectrophotometer; double distil water plant, Conductometer, Ultra centrifuge machine, Skip's apparatus, Potentiometer etc. Fume hoods are installed in all chemistry laboratories.

### **Physics Lab:**

Physics laboratory is established with advanced digital electronics equipment like Logic gates. A travelling microscope used for measuring length with a resolution typically in the order of

0.01mm is available in the laboratory. A Cathode Ray Oscilloscope used to measure and analyse various wave forms of electrical circuits is one of the most important equipment used in the laboratory. A Sonometer, Microprocessor Kit and a Microcontroller are accessible in the Lab.

### **Computer Lab:**

The Computer Science Department has 3 fully fledged Labs and one server. The laboratories are equipped with 74 computer systems with higher configurations and latest licensed software. Each lab has a projector to assist e- learning.

### **Statistics Lab:**

The college provides a well equipped Statistics laboratory for MSCs students to learn skills and various statistical analysis methods for different types of data. All the Computer systems are upgraded to meet the requirements of changing technology and syllabi.

### **Zoology Lab:**

Zoology laboratory is well established with Electronic microscopes, Medical microscopes, Digital PH meter, digital salinity meter etc. The instruments for clinical science have been installed for good practical knowledge. Haemocytometer, blood group testing kit, are some of the gadgets available in the laboratory. LCD projector is available in the laboratory by which teaching and learning capabilities are enhanced.

## **ENGLISH LANGUAGE LABORATORY**

- A well equipped English Language Laboratory exists in the college to enhance the employability of the under graduate students by imparting oral and aural skills.
- These oral and aural skills have been incorporated into the General English curriculum.
- The lab is based on the methodology of LSRW skills that are listening, speaking, reading and writing.
