DECLARATION

I hereby declare that the original project work embodied in this dissertation entitled “**Method development and validation for the estimation of Prothionamide drug substance by high Performance liquid chromatography**” submitted to “**Krishna University**” for the award of degree of Master of Science (M.Sc) in the Chemistry of the faculty of Organic Chemistry is the outcome of investigations carried out by me under the supervision of **Dr.V.Sreeram, Head, PG Department of Chemistry**. I declare that the work incorporated is original and due acknowledgment has been made where ever it is not so. The same has not been submitted elsewhere for any degree or diploma.

I also declare that I myself solely responsible for the genuineness of the findings/observations pertaining to these study in order to complete this dissertation.
