EDUCATOR ENRICHMENT PROGRAMME

DEPARTMENT OF CHEMISTRY

About the EEP

The Educator Enrichment Programme helps to assure a future talented and diverse. To enable the teachers perform to the tune of the time, the Department of Chemistry hosts regular Faculty Development Programmes /Seminars on Chemistry to update teachers' knowledge and to enhance their teaching skills. EEP provides opportunities for lecturers to connect with leading experts from academia and industry to explore cutting-edge research and make meaningful professional links with direct benefits for their students.

Objectives:

- Imparting an adequate knowledge of the subject- matter.
- Equipping the prospective teachers with necessary pedagogic skills.
- Enabling the faculty to acquire understanding of student psychology
- Developing proper attitudes towards teaching.
- Developing self-confidence in the faculty members.
