

Students representation in various committees of the College

Student representation in various committees of the college is an essential aspect of promoting student participation and involvement in the decision-making process. Our institution recognizes the significance of student representation in various committees and has implemented several measures to achieve this. We have several committees that comprise members from various departments, including academic, administrative, and extracurricular activities. We also have student representatives in each of these committees who actively participate in the decision-making process. The Committees are detailed below:
