Suggestions from the members of the Academic Council Meeting held on 5th May, 2018

- The department of History is suggested to cover Economic perspective of history in all aspects starting from after 1700 period and why some countries have not been flourished, social and cultural barriers of those conditions shall be discussed thoroughly with the students.
- The department of Computer Science is suggested to upgrade syllabus with latest concepts of programming and industry experts are to be invited for discussion before the B.O.S meeting as the students will have the intuition to think about problems in a computational way.
- The department of Mathematics is suggested to introduce MATLAB (Matrix Laboratory) as project for the Final year students as new technologies have changed the trend set.
- The department of Chemistry is suggested to introduce job-oriented certificate courses on the latest related need based topics.
- The department of Physics has been suggested to design the syllabus more effectively which can fulfill the local needs of the learner. Moreover a practising engineer needs to be the B.O.S member. Needs analysis should be done with regard in designing the syllabus and new technology should be upgraded.
- The department of Commerce has been suggested to incorporate value calculations as new dimensions in the syllabus.
- The department of Botany is suggested to cultivate organic farming in the campus as lot of green is being wasted. It can be a source of income generation.
- As the new course Paramedical Technology is to be introduced in the ensuing academic year 2018-19, the department of Zoology is suggested to consult and visit pharmaceutical labs and hospitals and get acquainted with the pros and cons of the course. The outcome shall be job-oriented for the students.
- The department of Environmental studies has been suggested to promote moral values and professional ethics among the students. Moreover students need to be sensitised with anecdotes regarding latest issues. Students should acquaint with knowledge about medical and legal issues. All these things need to be discussed thoroughly while teaching.

Suggestions from the members of the Academic Council Meeting held on 13th June, 2019

- The department of Telugu is advised to change the syllabus by removing the lesson CHAVUKUDU and a new relevant topic of recent trend may be introduced and incorporated in the Telugu syllabus as suggested by Dr. C. Nageswara Rao.
- All the departments (HOD's) are advised to sit together discuss and solve the issues regarding academic matters.
- The department of Physics is advised to make their students to visit Radiology as visual search and visual awareness of complex images may best be explained by a two-pathway process. One of the benefits of medical imaging is its function in preventative care as it is truly a vital element of the healthcare world—an essential tool for physicians to assist with diagnostics, treatment, and prevention.
- The department of Chemistry is advised to motivate the students to have awareness of Chintamani Nagesa Ramachandra Rao who is an Indian Chemist and the recipient of Bharat Ratna, the highest civilian award in India, which has made him the third scientist after C.V. Raman and A. P. J. Abdul Kalam.
- All the teachers are advised to keep abreast with the latest happenings in recent past and modify the method of their teaching accordingly. They need to recognize and master the use of teaching aids like computers and internet including Power Point Presentations to make the teaching-learning process more lively and useful. As using technology enhances the learning process better, every teacher needs to be empowered in some advancing areas to enhance the students' Employability skills. As some teachers find themselves at a loss to teach properly because they have not been trained fully to handle some particular areas. Accordingly they should be given in-service training in those areas.

Suggestions from the members of the Academic Council Meeting held on 13.11.2019

- All the teachers are advised to go through the online courses of SWAYAM, NPTEL as most of the classes are taught by North Indian teachers with regional accent in Hindi Medium it does affect the student in understanding point of view.
- All the teachers are suggested to publish papers/articles in UGC-CARE approved list of journals for the purpose of Career Advancement Scheme (CAS) as promotion as well on basis of its new list of nearly approved journals as nearly 88 percent of them were found to be predatory/ unauthentic.
- The Principal is advised to identify the qualified faculty to teach statistics as a subject which has shown an immense growth in almost every discipline of Science, Commerce & Social science.
- All the teachers are advised to watch a documentary feature film "Most Likely to succeed" a thought provoking one by Jony Wagner & Ted Dintersmith reveals the growing shortcomings of conventional education methods in today's innovative world.

2. It is resolved to approve the panel members for evaluation of Examinations both Theory & Practical for PG Programmes.

3. Academic Council has approved the Academic Regulations of PG Programmes under Autonomous system.

Academic Rules & Regulations:-

Academic Rules and Regulations approved in the Academic Council Meeting for PG Courses held on 16.12.2020 at 10.30 a.m. through online at RUSA Lab.

1. Academic Plan:

These rules and regulations are applicable to the students admitted from the Academic Year 2020-2021 onwards.

- 1.1 The college follows the semester system with partial internal and partial external evaluation and Choice Based Credit System for the post graduate programmes.
- 1.2 The academic year is divided into two semesters; each semester shall normally consist of minimum 90 instructional days. There shall be a minimum of 30 hours maximum of 36 hours of teaching per week excluding the assessment hours.
- 1.3 The instructional methods include conventional lectures, IT based sessions, class room interactions, guest lectures, seminars, symposia, field study, etc. The syllabi and the model question papers will be provided by the respective department board of studies.

1.4 Board of Studies:-

- i. The Board of Studies shall prepare the Syllabi, the scheme of instruction and the scheme of evaluation, recommend to the academic council for consideration and approval.
- ii. The Board of Studies may recommend changes in the subjects of study and / or alter the syllabi prescribed for a course for consideration and approval of the academic council.
- iii. The Board of Studies shall prepare panels of paper setters / Examiners paper-wise and such panels are to be submitted to the chairperson of the academic council.

1.5 Choice Based Credit System (CBCS) offers wide ranging choice for students to opt for courses based on their aptitude and their career goals. CBCS works on the fundamental premise that students are mature individuals, capable of making their own decisions. CBCS enables a student to obtain a degree by accumulating required number of credits prescribed for that degree. The number of credits earned by the student reflects the knowledge or skills acquired by him or her. Each course is assigned a fixed number of credits based on the contents to be learned & the expected effort of the student. The grade points earned for each course reflects the student's proficiency in that course. Salient features of CBCS include

- a) Enriching learning environment
- b) Learn at your own pace
- c) Continuous learning and student centric concurrent evaluation
- d) Active student-teacher participation
- e) Industry institute collaboration
- f) Interdisciplinary curriculum
- g) Employability enhancement

2. Courses offered:

7. Credits

As per UGC guidelines Credits are allocated to the courses (papers) by the Boards of Studies and approved by the Academic Council basing on the hours of teaching, learning outcomes and the weight of the course in the curriculum of the programme etc.,

7.1 Award of P.G. Degree

The student will be eligible for the award of the degree after he/she has successfully completed a programme within 2 years after completion of the course.

However, if the student is not able to complete the programme, two more years are allowed for the student to complete the programme. (N+2 years as recommended by UGC, where N=Term of the programme)

Ex: A student studying a 2year (4 semesters) programme must complete it in 2 year term+2 year extension = 4 years or 8 semesters in succession beginning with first semester. Ordinarily, no student pursuing a 2year PG programme is allowed more than 4 years to complete the programme. However the parent university may allow the student one more year to complete the programme under exceptional circumstances.

7.2 Grafting/Moderation Marks:

Grafting 1% of maximum marks of all theory courses (papers) of current semester shall be allowed to enable the student to pass in the current semester. In cases where grafting is not possible, moderation shall be extended by awarding grace marks to the extent of 1% of maximum marks of all theory courses (papers) to enable the student to pass the current semester This provision is applicable for I to III semesters in case of 2 year (4 semesters).

In case of examination at the end of final semester, grafting shall be exercised to enable the student to complete the programme. In cases where grafting is not possible, moderation shall be extended by awarding grace marks to enable the student to complete the programme. The same facility shall be extended for improvement of class. However, grafting and or grace marks for completion of programme/improvement of class shall be restricted to 1% of maximum marks of theory papers of the final semester.

8. Evaluation method: (CIA + SEE) [Continuous Internal Assessment + Semester End Examinations]

- 8.1 The academic performance of the student in theory and practical course in a semester is evaluated by internal and external examiners. Achievement in a theory paper is evaluated in the ratio 30:70 between CIA and SEE. The practical paper is evaluated in the ratio 30:70 between CIA and SEE for M.Sc. courses.
- 8.2 CIA is done by the teacher / department concerned.
- 8.3 The marks awarded in CIA and SEE are aggregated to arrive at the marks scored by the student in a paper.

13.1 Performance in a paper (Conversion of marks to grade points and letter grade)

13.2 PG Courses

S. No.	Range of Marks (CIA + SEE)	Grade	Grade Points
1	>85%	O	10.0
2	75% – 85%	A	9.0
3	67% – 74%	B	8.0
4	58% – 66%	C	7.0
5	50% – 57%	D	6.0
6	40% – 49%	E	5.0
7	< 40%	F (Fail)	0.0
8	Absent	0	AB

Calculation of SGPA and CGPA

The Semester Grade Point Average (SGPA) = $\frac{\sum(C \times GP)}{\sum C}$

The Cumulative Grade Point Average (CGPA) = $\frac{\sum(C \times GP)}{\sum C}$

Where, C = Credits of the Subject, GP = Grade Points of the Subject

SGPA is calculated considering only the subjects of that semester.

CGPA is calculated considering all the subjects.

Good Morning!

My hearty welcome to all the members of the Academic Council of our AG & SG Siddhartha Degree College of Arts & Science, Vuyyuru.

As the nation-wide lockdown is going on to control the Corona virus (COVID-19) pandemic, we are crossing a tough time ahead. I congratulate and appreciate all the members of the Academic Council for accepting our invitation to attend this meeting. I am grateful for your sincere efforts and guidance. Since the regular classes will not resume at an early date, the students are asked to keep in touch with the teachers of the respective departments through different Whatsapp groups and other digital means to clear their doubts. All the teachers are engaged in online classes from March 2020 to till date. Most of the students are on laptops and teachers are on Zoom, Cisco Webex and Google classroom delivering “distance learning.” The final year semester-end examinations have commenced from 07-09-2020 taking all the precautionary methods. We are expecting the semester-end examinations for I Year and II Year soon after the lockdown is lifted, and the permission obtained from the University as well.

Our academics are committed to ensuring that students have access to the facilities they need for their professional growth. Our support services and College Library are similarly focused on ensuring our students have access to the facilities they need.

We have taken the following actions to comply with the Krishna University and Government guidance.

- In alignment with the University, all teaching, learning and assessments will be conducted as per the guidelines. Information has been shared with our students about exams and assessments through college website and other digital means.
- All staff members who are able to work from home are doing so. They are attending the college regularly.
- Staff presence on the site is at the minimum level, necessary to provide essential services and keep core operations running.
- Social distancing is being observed in and around College.
- The admission process for I Year is in progress.

- The departments of Mathematics, History, Chemistry and have organized Online Webinars in their respective subjects and Quiz competitions for all the students (National level) are also organized.
- Most of the staff members have attended Online Webinars.
- Governmental guidance in response to the corona virus pandemic is being regularly updated. Students are advised to follow the instructions from Government on self-isolation, social distancing and when to call the NHS. All the details are uploaded in the college website.

These actions are reviewed regularly by the College's COVID-19 working group and the Principal by videoconference. I feel proud that all of our Staff Members are taking an active role in sharing information and making sense of this situation.

In the academic year 2019-20, 1298 students were admitted which included 1106 in graduate courses and 192 in post-graduate courses. They received value-based education with 60 teaching and 34 non-teaching faculty.

We are strictly abiding by the guidelines of Krishna University and following the syllabi framed at the Board of Studies meetings of the concerned departments.

The significant achievements of our college after the 11th Academic Council Meeting held on 13.11.2019.

PRATIBHA AWARDS (Dr.APJ ABDUL KALAM VIDYA PURASKAR 2019-20 AWARD)

5. **Ratified the syllabus for ODD semesters (1st, 3rd & 5th) of all subjects as per Choice Based Credit System (CBCS) for I, II & III years.**
6. **Any other matter (Table Agenda)**
 - a. As the demand for Self-Finance Course MPC (English Medium) (Mathematics, Physics, Chemistry) is minimal, the Academic Council has resolved to restructure the course as MPCs second section with the combination of Mathematics, Physics, Computer Science.
 - b. We, the Teaching and supporting staff feel proud to be a part of the war against the controlling and prevention of Novel Corona Virus Disease -19 (COVID-19). In this regard, the staff and other supporting staff of our Institution are grateful to the Management for rendering the services for the control & free treatment and prevention of COVID-19 for the employees and their families through

the Dr. Pinnamaneni Siddhartha Institution of Medical Sciences & Research Foundation, Chinaoutpalli.

Suggestions from the members of the Academic Council Meeting held on 11.09.2020

1. All the staff members are instructed to fight COVID-19 and enable learning from home and college as well, and practice Social Distancing.
2. The departments of Mathematics, History and Chemistry are appreciated as they have organized Webinars (subject-related) for the enrichment and professional development of students, teachers, teacher educators and researchers.
3. All the teachers are advised to participate in the Webinars will be organized by many institutions as they intend to cover various themes related to Educational Technology (ET) and Information and Communication Technology (ICT) in education.
4. The focus of the webinars needs to encompass topics related to creation and dissemination of e-content, Content-Pedagogy-Technology integration, use of ICT in teaching-learning and assessment, Online Educational Resources, use of various ICT tools, mobile app and Assessment based platforms etc.
5. This series of webinars' interactive sessions will hopefully be a stepping stone in the enhancement of knowledge and skill of those working in the field of education.
6. As per the suggestions of the University Representative the new guidelines of NEP will be implemented from the academic year 2020-21.

My hearty greetings and a very good morning to our good comrades in the realm of education,

My special and hearty Welcome to Dr. D.Rama Sekhar Reddy professor, Dept.of Chemistry, Krishna University, Machilipatnam; Dr. Ch.Jaya Sankar Prasad, Assistant Professor, Dept.of Business Management, Krishna University, Machilipatnam; Dr.M.Sravani, Assistant Professor, Dept.of Business Management, Krishna University, Machilipatnam; Sri D. Madhu Sudhan Rao, FCA, Hi-Tech Printers, Tenneru; Dr.Ch.Divakara Babu, Principal, Smt. Velagapudi Durgamba Siddhartha Law College, Vijayawada; Sri N.Mallikarjuna Rao, Manger – Smart Cities, Efftronics systems Pvt. Ltd., Vijayawada; Sri T.Srihari Rao, Convenor of the college, Prof. L.K.Mohan Rao, Academic Advisor, S.A.G.T.E, Vijayawada; Sri K.Satyanarayan, Special officer and all the faculty members.

Now, kindly allow me to present the Principal's report containing all important features of the Academic activity of the college during the academic year 2020-21, 1305 students were admitted included 1151 in graduate courses and 154 in post-graduate courses. They received value-based education with 60 teaching and 34 non-teaching faculty.

Due to the state-wide lockdown in view of the second wave of Corona pandemic, we are facing tough situation and the classes are being organized in blended system of both online and offline. As the offline classes are not regular, all the students are asked to keep in touch with the teachers of respective departments through different Whatsapp groups and other digital ways to clear their doubts. All the teacher are engaged in online classes from 26.4.2021 till date and completed the 100% of I semester syllabus, 75% of 4th & 6th Semesters along with 20% syllabus of II Semester of all the UG&PG Courses.

We are strictly implementing the standard operating procedure (SOP) on the college premises for the safety of Staff & Students. We are strictly abiding by the guidelines of Krishna University and following the syllabi framed at the Board of Studies meetings of the concerned departments.

8. Suggestions / Recommendations by the Members on the Academic Council

- The entire faculty is advised to register and opt Courses/FDPs in AICTE Training And Learning (ATAL) Academy as it empowers faculty to achieve goals of Higher Education such as access, equity and quality. It also provides a variety of opportunities for training and exchange of experiences such as workshops, orientations, learning communities, peer mentoring and other faculty development programmes.
- The faculty is suggested to utilize SWAYAM platform and other online academic resources for the delivery of trainings.
- All the departments of the college are suggested to collaborate with the concerned departments of the affiliated university and conduct webinars/ obtain MOUs to create a work environment that must be creative, productive and fulfilling.
- As the education sector is quickly realizing that technology has the potential to enhance the whole learning experience through blended learning, all the staff is advised to adopt Microsoft Teams for creating vibrant learning environments. It also builds up collaborative classrooms, connect in professional learning communities, and connect with colleagues – all from a single experience.
- Blended teaching and learning need to be focused and implemented by all the departments.
- The VI-Unit of each subject may be converted as non-credit course and taught beyond the curriculum.
- The department of Chemistry is advised to create awareness among students on junk food and its impact on health.
- All the core departments are advised to adopt a uniform Evaluation Assessment Methodology (unitization) as it needs to be changed and streamlined.
- Online lectures by the teachers of the concerned departments are to be recorded and made available in the College/CCE/University websites wherever required.
- The UG students must be encouraged to register in MOOCS and opt for certificate courses.
- The assessment pattern needs to be changed as per the guidelines of formative and summative assessment. Uniform pattern is to be implemented.
- The Impact of TDS & pH on Quality of Drinking Water needs to be prioritized by every student and the department of Chemistry is advised to exercise on this topic, 'Water Analysis'.
- Organic farming needs to be introduced in the syllabus as a UNIT by the dept. of Biology.

- The programme BPA-Bachelor of Performing Arts may be introduced which is associated with the entertainment industry and provides special learning in different skills interrelated to performing arts. This course offers attention towards music, dance practices and drama and offers many career options.
- The topic 'Econometrics' may be introduced in VI semester for all the arts students by the department of Economics.
- The department of PG Chemistry is advised to introduce two more open electives for the students.
- The department of Political Science is suggested to focus on Core Constitution Values and a Preamble of the Constitution may be prepared in booklets and distributed to students.
- The programme B.Sc. (Data Science) may be introduced as it is one of the most sought after careers that offer excellent prospects for the future. The students can get a wide range of career options from which they can choose from to work in either national companies, private or government institutions, technical or non-technical posts.
- The programme BBA Rural Development /Management/Agribusiness may be introduced to increase corporate farming and to improve the standard of life of rural people that includes social, economical, political and spiritual development of the people living in rural area who are deprived from basic facilities. Rural Management includes the study of managing the rural resources effectively. It includes planning and executing rural development programmes that profits the rural livelihood.
- As the digital transformation world is creating many lucrative opportunities across the globe, B.Com E-Commerce programme may be introduced keeping in view of the sustainability of the course. The career path and opportunities are immense.
- All the departments are advised to conduct one internal online assessment using Google Form.
- The department of Commerce is advised to update and replace the Companies Act 2013 with Companies Act 2019 in Unit-I of Business Law paper.
- The syllabus of Cyber Law needs to be updated in Unit-V of Business Law paper by the department of Commerce.

STEPS TAKEN FOR THE UPGRADATION OF EDUCATIONAL STANDARDS AND METHODS OF TRAINING

- Teaching methodology has been changed from teacher-centric to learner-centric through active engagement of students in the classroom. The learner priority is focused.
- ICT enabled teaching has been in practice through the use of PPTs, videos, virtual labs (Web based) etc. and 1 e-Classroom, 3 Virtual class rooms, 1 Digital class room have been arranged for this purpose. Other provisions like LCD Projectors and computer lab and 1 RUSA digital lab with LAN provision do exist in the college.
- In this technology-driven globalised environment, Massive Open Online Courses (MOOCS) have become increasingly important in educational initiatives. 120 students of computer science & 3 members of faculty registered in the courses under National Programme on Technology Enhanced Learning Project (NPTEL), a joint initiative by seven IITs and IISC Bengaluru under SWAYAM Platform.

- Training is being imparted to faculty in a progressive manner on computer assisted teaching and usage of apps as teaching tools.
- Planning to procure Virtual softwares and LMS tools to enable enhanced convenience in ICT mode of teaching.
- Enhanced Academia-Industry partnerships through MOUs, Internships, Hands-on Training, and Student Projects in and outside the college, Technical Trainings at well-equipped sophisticated Labs of the Science Departments.

I request the honorable members to give their valuable suggestions to improve the functioning of the autonomous system in our college. I thank you all for sparing your time at every meeting to advise our college community. I greatly appreciate your significant contribution of time and effort. We are truly privileged to be the beneficiaries of your generosity and dedication

3. **Ratified the syllabus for ODD semesters (1st, 3rd & 5th) of all subjects as per Choice Based Credit System (CBCS) for I, II & III years and 1st & 3rd Semesters for P.G (M.Sc. (Organic Chemistry), M.Com. and M.Sc. (Computer Science)) for the academic year 2021-22.**
4. Ratified the Internal Assessment System as 25, External Assessment as 75 for the admitted batch from the academic year 2021-22 and there is no minimum pass mark in the Internal Examinations.
5. Discussed and recommended to introduce Life Skill Course **Yoga** in the 3rd semester of II year and make it compulsory to all disciplines. 2 credits may be awarded for this course.
6. **Suggestions/ Recommendations by the members of the Academic Council Meeting :-**
 - All the departments are advised to observe the contemporary relevance to the syllabus of each subject, and the objective method in question paper pattern may be introduced in some subjects.
 - The Department of Chemistry (PG) is advised to arrange Field Trips to the students in the IV Semester.
 - Ambiguity in the Credit System must be clarified by each department. If any deviation observed in terms of Credits allotted to each subject by APSCHE, must be justified.

- All the changes made in the syllabi of Statistics paper must be justified.
- All the UG and PG students must be encouraged to register in MOOCS and opt for certificate courses. In case of non-availability of the subject related Certificate Courses in MOOCS, other arrangements must be observed.
- The Department of Zoology is suggested to create awareness to the students of B.Sc Aqua Culture on utilizing the IoT Technology, which is available in some companies in Vijayawada.
- 2 more Specialization Papers may be introduced to the students of M.Com in the III & IV Semesters.
- All the core departments are advised to adopt a uniform Evaluation Assessment Methodology as it needs to be changed and streamlined.
- All the departments are advised to initiate more activities like Guest Lectures, Workshops, Field Trips etc., for the benefit of the students.
- The faculty is suggested to utilize SWAYAM platform and other online academic resources for the delivery of trainings.

Placements:

The placement team strives to achieve the objective of placing the aspiring students.

- 1 student in Microsoft
- 1 student in Google
- 10 students in Wipro
- 5 students in TCS
- 4 students in Capgemini
- 1 student in Deloitte.
- 1 students in Cognizant
- 3 students in HCL
- 8 student in Infosys
- 1 student in DXC Technology
- 1 student in ATOS Technology
- 20 students in NICE Education
- 8 students in ICICI Bank
- 12 students in MSN Labs
- 14 students in Divis Labs
- 2 students in GMK Labs
- 2 students in Bhageeradha Labs
- 10 students in Sandhya Aqua

All together 104 students got placements in various MNCs in this 6 months period. Inspite of the remote rural location as our college, I am happy to announce the above list of placements achieved by our students. I sincerely appreciate our Career guidance & Placement officer and other faculty members involved in the placements.
