

Student Council 2022-23

Introduction

The Student Council, as the representative body of the students, plays a crucial role in the Institute. It serves as a platform for students to actively engage in various academic and administrative activities, fostering leadership qualities, a grasp of rules and regulations, and the development of execution skills. The Council encourages students to contribute to the institute's growth and their own personal and career development through interactive programs involving faculty, administration, and society. Its primary objective is to provide a shared platform for students to partake in co-curricular and extracurricular activities, overseeing major technical, cultural, literary, and sports events within the college premises.
