Sir,

The following students are very good in sports and games and also participated in State, South Zone and All India Inter University Tournaments and also brought some victories and medals to the college. Due to their poor financial background they need some financial assistance from the college to pay their college fee. So, I request you kindly wave off the Campus Maintenance fee and consider providing the other fees from the other sources to help them financially.

In 2022-23, our esteemed Management provided Rs.26,500/- exemption to the 8 members of Sports students.
