Analysis of Student Feed Back on Curriculum
2018-19

Internal Quality Assurance Cell of A.G & S.G. Siddhartha Degree College of Arts & Science, Vuyyuru has obtained Feedback on Curriculum from 460 students for the academic year 2018-19. They have given the feedback on the following Questionnaire

1. Whether the curriculum designed is useful to your career prospects?
2. Whether courses included in the curriculum relevant to the current job market needs?
3. Did the Syllabus for each subject indicate recent trends?
4. Did the syllabus incorporate topics that are application oriented?
5. Do you feel that the course content has fulfilled your expectations from the course?
6. Do you think that the subjects taught in each semester were organized appropriately
7. Usage of teaching aids and ICT in the class by faculty to facilitate teaching
8. Opportunity to participate in internship, student exchange, field visits
9. Opportunities for Certificate/ Value added programmes
10. How do you rate the percentage of courses having LAB component?

Analysis

1. The analysis of the student's feedback shows their satisfaction with the curriculum design, syllabus content related to recent trends and the topics that are application oriented and at the same time suggested to introduce market /skill-oriented programs from next academic year.
2. Majority of them felt that the course content has fulfilled their expectations
3. They appreciated the availability of Lab material in the Departments.
4. 87% of the students strongly agreed that the subjects taught in each semester were organized appropriately and thus there is continuity in the Course syllabi.
5. Though majority of the students are satisfied with the usage of ICT tools by the faculty, some of them felt the need of ICT usage in BA program also.
6. About 10% of the students felt the need of organisation of more Field trips to have more practical experience.
7. 87% of students are satisfied with Certificate/ Value added programmes conducted by the Departments and some felt their need in certain subjects like Mathematics and Computer Science for developing skills to face competitive exams.

These suggestions were communicated to the convenor of Academic Council and to the Governing Body for the proper redressal of suggestions.

INTERNAL QUALITY ASSURANCE CELL

Analysis of Teachers Feed Back

2018-19

Internal Quality Assurance Cell of A. G & S.G. Siddhartha Degree College of Arts & Science, Vuyyuru has obtained Feedback on Curriculum from 57 faculty members for the academic year 2018-19. They have given the feedback on the following Questionnaire

1. Course content is designed according to recent trends in all the semesters
2. Innovative teaching methodologies are adopted for each course
3. Curriculum and Syllabus are need based
4. Existing learning resources are utilised to the maximum limit
5. The course has good balance between theory and application
6. The framed Cos and PSOs are mapping to the industry needs
7. Whether the learning outcomes of the courses are achieved
8. The course outcomes are well defined and clear
9. Sufficient number of relevant reading materials and digital resources are available in the Library
10. I have compared this syllabus with those of other college / university to ensure competence

ANALYSIS

1. 88% of the faculty agreed that the course content is designed according to recent trends in all the semesters. but some of them opined to include topics to improve quantitative aptitude of the students.

2. 88% of the faculty agreed that innovative teaching methodologies are adopted for each course such as application of multimedia tools, project works, but some opined that the application should be increased for which purpose some infra structural facilities have to be developed.

3. Even though the Curriculum and Syllabus are need based some of them felt that the existing learning resources are not utilised to the maximum limit by some faculty.

4. 95% of the faculty agreed that the framed Cos and PSOs are mapping to the industry needs

5. Almost all the faculty opined that course outcomes are well defined and clear and the learning outcomes of the courses are achieved.

6. 95% of the faculty felt that the reading materials and digital resources in the Library are good.

7. A majority of Faculty compared the syllabus with those of other college to know about the different learning tools adopted by them.

INTERNAL QUALITY ASSURANCE CELL

Analysis of Alumni Feed Back
2018-19

Internal Quality Assurance Cell of A. G & S.G. Siddhartha Degree College of Arts & Science, Vuyyuru has obtained Feedback on Curriculum from 100 alumni for the academic year 2018-19. They have given the feedback on the following

1. The knowledge and experience you gained in the College has impact on your Personality
2. Does the course curriculum facilitate enhancement of skills
3. Is the course design applicable to real life situation?
4. Does the curriculum helpful to you with your employment/higher education
5. The balance between theory and applications in curriculum is good
6. The contents of the Syllabus were revised at reasonable intervals
7. The institute-industry interaction / MoUs were useful for me
8. The college offers sufficient learning support for student
9. The learning ambience of the college is good
10. All the academic processes of the college are transparent
11. Did the course structure evoke research aptitude?

Analysis of the Feed Back

- A Majority of alumni opined that knowledge and experience gained in the College is definitely useful in their personality development
- 90% of the members unanimously accepted that course curriculum improves the scope for development of skills
- 87% of alumni strongly agreed that course design is applicable to real life situation
- Majority agreed that curriculum is relevant to the overall development of a student including higher studies and job placements.
- Alumni agreed that the balance between theory and applications in curriculum is good.
- 82% of alumni strongly agreed that contents of the Syllabus were revised at reasonable intervals.
- About 19% of the alumni felt that the MoU's taken by the institution with industries should be more beneficial to the students.
- 95% of the alumni opined that the learning support offered by the college is excellent in this rural area and the learning ambience is good as the college is a green campus.
- All have happily accepted that the academic processes of the college are transparent.
- 89% of the members strongly accepted that course structure evokes research aptitude.

The statistical representation of the feedback obtained clearly shows that majority of the stakeholders are well satisfied with the present curriculum

Analysis of Employers Feed Back

Internal Quality Assurance Cell of A.G & S.G. Siddhartha Degree College of Arts & Science, Vuyyuru has obtained Feedback from 8 Employers for the academic year 2018-19. They have given the feedback on the following

1. Curriculum is relevant for employability and higher education
2. Syllabus is effective in developing skill oriented human resources
3. Effectiveness of curriculum for development of employability
4. Does the present curriculum meet the industry norms or needs?
5. How do you rate the quality of the students of AG & SG Siddhartha Degree college of Arts & science, Vuyyuru?
6. The proficiency of our students working with you
7. Their reliability, honesty and hardworking nature
8. Competency level of students.
9. Ability to take up extra responsibility
10. Ability to contribute to the goal of the organization.

ANALYSIS

1. In response for Curriculum relevant for employability and higher education

75% responded as very good and 25% as good

2. All the employers are satisfied with the Syllabus effectiveness for employability and developing skills

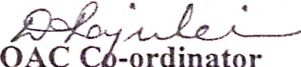

3. 88% of employers felt that the present curriculum meets the industry norms and 75% of the employers rated the quality of students as good.

4. Almost all the employers rated the proficiency, reliability, honesty and hardworking nature of the students as very good.

5. The competency level and ability to take up extra responsibility is rated as very good

6. Regarding ability to contribute to the goal of the organization 88% expressed their opinion as very good and remaining 12% opined as good.

The statistical representation of the feedback obtained clearly shows that majority of the stakeholders are well satisfied with the curriculum of A.G. & S. G. College and honesty and hardworking nature of the students. However they suggested that students have to improve their Communication skills.

Analysis of Student Feed Back on Curriculum
2019-20

Internal Quality Assurance Cell of A.G & S.G. Siddhartha Degree College of Arts & Science, Vuyyuru has obtained Feedback on Curriculum from 500 students for the academic year 2019-20. They have given the feedback on the following Questionnaire

1. Whether the curriculum designed is useful to your career prospects?
2. Whether courses included in the curriculum relevant to the current job market needs?
3. Did the Syllabus for each subject indicate recent trends?
4. Did the syllabus incorporate topics that are application oriented?
5. Do you feel that the course content has fulfilled your expectations from the course?
6. Do you think that the subjects taught in each semester were organized appropriately?
7. Usage of teaching aids and ICT in the class by faculty to facilitate teaching
8. Opportunity to participate in internship, student exchange, field visits
9. Opportunities for Certificate/ Value added programmes
10. How do you rate the percentage of courses having LAB component?

Analysis

1. The analysis of students' feedback affirms their satisfaction regarding curriculum design.
2. 92% of the students rated that the courses included in the curriculum are relevant to the current job market needs.
3. 91% of the students agreed that the syllabus for each subject indicate recent trends.
4. Students are well satisfied with the application-oriented topics included in the syllabus
5. Students feel motivated regarding the prospect of higher education in the curriculum and the subjects taught in each semester.
6. 18% of the students felt the necessity of use of ICT in certain subjects.
7. Though the majority of the students are satisfied with the field trips arranged by certain departments 18% of students expressed their opinion for organisation of more Industrial Visits and Internships.
8. 80% of students felt happy with the Certificate / Value added courses conducted by various Departments of the college but some felt their necessity in certain subjects.
9. 18% of the students felt the necessity of replacing old equipment in certain laboratories to cope with the cluster system.
10. The overall analysis clearly shows that the students are well satisfied with the syllabus content, its nature and transaction and feel motivated regarding the prospect of higher education in the curriculum.

These suggestions were communicated to the convenor of Academic Council and to the Governing Body for the proper redressal of suggestions.

Analysis of Teachers Feed Back

2019-20

Internal Quality Assurance Cell of A. G & S.G. Siddhartha Degree College of Arts & Science, Vuyyuru has obtained Feedback on Curriculum from 57 faculty members for the academic year 2019-20. They have given the feedback on the following Questionnaire

1. Course content is designed according to recent trends in all the semesters
2. Innovative teaching methodologies are adopted for each course
3. Curriculum and Syllabus are need based
4. Existing learning resources are utilised to the maximum limit
5. The course has good balance between theory and application
6. The framed Cos and PSOs are mapping to the industry needs
7. Whether the learning outcomes of the courses are achieved
8. The course outcomes are well defined and clear
9. Sufficient number of relevant reading materials and digital resources are available in the Library
10. I have compared this syllabus with those of other college / university to ensure competence

ANALYSIS

1. 93% of the faculty agreed that the course content is designed according to recent trends in all the semesters.
 2. 91% of the faculty agreed that innovative teaching methodologies are adopted for each course such as application of multimedia tools, project works, but some opined that the application should be increased for which purpose some infra structural facilities have to be developed.
 3. 89% of the faculty highly appreciated that the Curriculum and Syllabus are need based.
 4. 86% of the faculty agreed that the learning resources are utilised to the maximum limit.
 5. Majority of faculty felt that the framed Cos and POs are relevant to the industry needs
 6. Almost all the faculty opined that course outcomes are well defined and clear and the learning outcomes of the courses are achieved.
 7. 95% of the faculty felt that the reading materials and digital resources in the Library are good.
 8. Teachers have highly rated the resources available in the Library
 9. 86% of teachers felt the necessity of comparison of syllabus with other colleges and Universities to gain knowledge on the syllabus to be incorporated in the forth coming year.
- Overall feedback analysis reveals teachers' satisfaction with syllabus content, Innovative teaching methodologies and learning outcomes of the courses.

Analysis of Alumni Feed Back
2019-20

Internal Quality Assurance Cell of A. G & S.G. Siddhartha Degree College of Arts & Science, Vuyyuru has obtained Feedback on Curriculum from 120 alumni for the academic year 2019-20. They have given the feedback on the following

1. The knowledge and experience you gained in the College have impact on your Personality
2. Does the course curriculum facilitate enhancement of skills?
3. Is the course design applicable to real life situation?
4. Does the curriculum helpful to you with your employment/higher education
5. The balance between theory and applications in curriculum is good
6. The contents of the Syllabus were revised at reasonable intervals
7. The institute-industry interaction / MoUs were useful for me
8. The college offers sufficient learning support for student
9. The learning ambience of the college is good
10. All the academic processes of the college are transparent
11. Did the course structure evoke research aptitude?

Analysis of the Feed Back

- 92% of alumni opined that knowledge and experience gained in the College had a positive impact on their personality development.
- 75% of alumni unanimously accepted that course curriculum improved the scope for development of skills but the remaining suggested to incorporate Skill based courses in the curriculum.
- Majority of alumni strongly agreed that course design is applicable to real life situation
- Majority agreed that curriculum is relevant to the overall development of a student including higher studies and job placements.
- Alumni agreed that the balance between theory and applications in curriculum is good.
- 83% of alumni strongly agreed that contents of the Syllabus were revised at reasonable intervals.
- About 8% of the alumni felt that the MoU's taken by the institution with industries should be more beneficial to the students and placement opportunities may be enhanced
- 87% of the alumni opined that the learning support offered by the college is excellent in this rural area and the learning ambience is good as the college is a green campus.
- All have happily accepted that the academic processes of the college are transparent.
- 93% of the members strongly accepted that course structure evokes research aptitude.

Analysis of Employers Feed Back
2019-20

Internal Quality Assurance Cell of A.G & S.G. Siddhartha Degree College of Arts & Science, Vuyyuru has obtained Feedback from 10 Employers for the academic year 2019-20. They have given the feedback on the following

1. Curriculum is relevant for employability and higher education
2. Syllabus is effective in developing skill oriented human resources
3. Effectiveness of curriculum for development of employability
4. Does the present curriculum meet the industry norms or needs?
5. How do you rate the quality of the students of AG & SG Siddhartha Degree college of Arts & science, Vuyyuru?
6. The proficiency of our students working with you
7. Their reliability, honesty and hardworking nature
8. Competency level of students.
9. Ability to take up extra responsibility
10. Ability to contribute to the goal of the organization.

ANALYSIS

1. In response for curriculum is relevant for employability and higher education 70% responded as very good and 30% felt the need to focus on the curriculum related to employability.
2. 80% employers are satisfied with the syllabus effectiveness for employability and developing skills
3. 70% of the employers felt that the present curriculum meets the industry norms and 80% of the employers rated the quality of students as excellent
4. Almost all the employers rated the proficiency, reliability, honesty and hardworking nature of the students as very good.
5. 70% of the employers felt that the ability to take up extra responsibility is rated as very good
6. Regarding ability to contribute to the goal of the organization 80% expressed their opinion as very good and remaining 12% opined as good.

The statistical representation of the feedback obtained clearly shows that majority of the employers are well satisfied with the curriculum of A.G. & S. G. College and honesty and hardworking nature of the students. However, they suggested that there is a need to focus on curriculum related to employability.

Analysis of Student Feed Back on Curriculum
2020-21

Internal Quality Assurance Cell of A.G & S.G. Siddhartha Degree College of Arts & Science, Vuyyuru has obtained Feedback on Curriculum from 400 students for the academic year 2020-21. They have given the feedback on the following Questionnaire

1. Whether the curriculum designed is useful to your career prospects?
2. Whether courses included in the curriculum relevant to the current job market needs?
3. Did the Syllabus for each subject indicate recent trends?
4. Did the syllabus incorporate topics that are application oriented?
5. Do you feel that the course content has fulfilled your expectations from the course?
6. Do you think that the subjects taught in each semester were organized appropriately?
7. Usage of teaching aids and ICT in the class by faculty to facilitate teaching
8. Opportunity to participate in internship, student exchange, field visits
9. Opportunities for Certificate/ Value added programmes
10. How do you rate the percentage of courses having LAB component?

Analysis

1. In response to the question about the designed curriculum is useful to career prospects 87.5% responded as excellent, 7.5% stated as very good and the remaining students responded as good.

2. In response to the question 'curriculum is relevant to the current job market needs and syllabus includes recent trends, about 90% of students responded as excellent, 7.5% to 7% expressed their opinion as very good and the remaining as good. However, they suggested to introduce B.Sc. statistics with Computer Science Combination

3. Regarding the question, syllabus incorporate topics that are application oriented 85% responded as excellent and the remaining as good and very good.

4. Students are well satisfied with the course content and the subjects taught in each semester were well organised.

5. 87% of students responded the usage of ICT tools as excellent, 8% as very good and remaining as good.

6. Regarding opportunity to participate in internship, student exchange, field visits, majority responded as excellent. But some of the students suggested for internships.

7. In response to opportunities for certificate courses/ value added courses students are fully satisfied as different departments organised these courses in every semester.

8. Students felt happy with the LAB component available in the college.

These suggestions were communicated to the convenor of Academic Council and to the Governing Body for the proper redressal of suggestions.

2020-21

Internal Quality Assurance Cell of A. G & S.G. Siddhartha Degree College of Arts & Science, Vuyyuru has obtained Feedback on Curriculum from 53 faculty members for the academic year 2020-21. They have given the feedback on the following Questionnaire

1. Course content is designed according to recent trends in all the semesters
2. Innovative teaching methodologies are adopted for each course
3. Curriculum and Syllabus are need based
4. Existing learning resources are utilised to the maximum limit
5. The course has good balance between theory and application
6. The framed Cos and PSOs are mapping to the industry needs
7. Whether the learning outcomes of the courses are achieved
8. The course outcomes are well defined and clear
9. Sufficient number of relevant reading materials and digital resources are available in the Library
10. I have compared this syllabus with those of other college / university to ensure competence

ANALYSIS

1. 94% of the faculty agreed that the course content is designed according to recent trends in all the semesters.
 2. 94% of the faculty agreed that innovative teaching methodologies are adopted for each course such as application of multimedia tools, project works,
 3. 96% of the faculty highly appreciated that the Curriculum and Syllabus are need based.
 4. 86% of the faculty agreed that the learning resources are utilised to the maximum limit and to suggested for improvement of ICT utilisation.
 5. Majority of faculty felt that the framed Cos and POs are relevant to the industry needs
 6. Almost all the faculty opined that course outcomes are well defined and clear and the learning outcomes of the courses are achieved.
 7. The faculty felt that the reading materials and digital resources in the Library are good but reading material for the newly introduced courses of first year degree is not sufficiently available.
 8. 94% of teachers felt the necessity of comparison of syllabus with other colleges and Universities to gain knowledge on the syllabus to be incorporated in the forth coming year.
- Overall feedback analysis reveals teachers' satisfaction with syllabus content, Innovative teaching methodologies and learning outcomes of the courses.

2020-21

Internal Quality Assurance Cell of A. G & S.G. Siddhartha Degree College of Arts & Science, Vuyyuru has obtained Feedback on Curriculum from 130 alumni for the academic year 2020-21. They have given the feedback on the following

1. The knowledge and experience you gained in the College have impact on your Personality
2. Does the course curriculum facilitate enhancement of skills?
3. Is the course design applicable to real life situation?
4. Does the curriculum helpful to you with your employment/higher education
5. The balance between theory and applications in curriculum is good
6. The contents of the Syllabus were revised at reasonable intervals
7. The institute-industry interaction / MoUs were useful for me
8. The college offers sufficient learning support for student
9. The learning ambience of the college is good
10. All the academic processes of the college are transparent
11. Did the course structure evoke research aptitude?

Analysis of the Feed Back

- 93% of alumni opined that knowledge and experience gained in the College had a positive impact on their personality development.
- 77% of alumni unanimously accepted that course curriculum improved the scope for development of skills but the remaining suggested to add GST paper in Commerce.
- Majority of alumni strongly agreed that course design is applicable to real life situation
- Majority agreed that curriculum is relevant to the overall development of a student including higher studies and job placements but suggested to concentrate on seminars and public speaking skills.
- Alumni agreed that the balance between theory and applications in curriculum is good.
- 83% of alumni strongly agreed that contents of the Syllabus were revised at reasonable intervals but suggested to incorporate advanced topics in some subjects
- Majority of alumni felt that the MoU's are taken by the institution with industries but suggested to increase industry linkage
- 87% of the alumni opined that the learning support offered by the college is excellent in this rural area and the learning ambience is good as the college is a green campus.
- All have happily accepted that the academic processes of the college are transparent.
- 93% of the members strongly accepted that course structure evokes research aptitude.

Analysis of Employers Feed Back
2020-21

Internal Quality Assurance Cell of A.G & S.G. Siddhartha Degree College of Arts & Science, Vuyyuru has obtained Feedback from 10 Employers for the academic year 2020-21. They have given the feedback on the following

1. Curriculum is relevant for employability and higher education
2. Syllabus is effective in developing skill oriented human resources
3. Effectiveness of curriculum for development of employability
4. Does the present curriculum meet the industry norms or needs?
5. How do you rate the quality of the students of AG & SG Siddhartha Degree college of Arts & science, Vuyyuru?
6. The proficiency of our students working with you
7. Their reliability, honesty and hardworking nature
8. Competency level of students.
9. Ability to take up extra responsibility
10. Ability to contribute to the goal of the organization.

ANALYSIS

1. In response for curriculum is relevant for employability and higher education 80% responded as very good and 20% felt the need to focus on the curriculum related to employability.
2. 76% employers are satisfied with the syllabus effectiveness for employability and developing skills but suggested to add Business English course in English
3. 88% of the employers felt that the present curriculum meets the industry norms and 80% of the employers rated the quality of students as excellent
4. Almost all the employers rated the proficiency, reliability, honesty and hardworking nature of the students as very good.
5. 80% of the employers felt that the ability to take up extra responsibility is very good
6. Regarding ability to contribute to the goal of the organization 80% expressed their opinion as very good and remaining 12% opined as good.

The statistical representation of the feedback obtained clearly shows that majority of the employers are well satisfied with the curriculum of A.G. & S. G. College along with honesty and hardworking nature of the students. However, they suggested adding more skill base courses.

**Analysis of Student Feed Back on Curriculum
2021-22**

Internal Quality Assurance Cell of A.G & S.G. Siddhartha Degree College of Arts & Science, Vuyyuru has obtained Feedback on Curriculum from 500 students for the academic year 2021-22. They have given the feedback on the following Questionnaire

1. Whether the curriculum designed is useful to your career prospects?
2. Whether courses included in the curriculum relevant to the current job market needs?
3. Did the Syllabus for each subject indicate recent trends?
4. Did the syllabus incorporate topics that are application oriented?
5. Do you feel that the course content has fulfilled your expectations from the course?
6. Do you think that the subjects taught in each semester were organized appropriately?
7. Usage of teaching aids and ICT in the class by faculty to facilitate teaching
8. Opportunity to participate in internship, student exchange, field visits
9. Opportunities for Certificate/ Value added programmes
10. How do you rate the percentage of courses having LAB component?

Analysis

1. In response to the question about the designed curriculum is useful to career prospects 92% responded as excellent, 6% stated as very good and the remaining students responded as good.

2. In response to the question 'curriculum is relevant to the current job market needs and syllabus includes recent trends, about 92% of students responded as excellent, 6% expressed their opinion as very good and the remaining 2% as good. However, they suggested to conduct more activities for personality development.

3. Regarding the question, syllabus incorporate topics that are application oriented 85% responded as excellent and the remaining as good and very good.

4. Students are well satisfied with the course content and the subjects taught in each semester were well organised. But they requested for conduction of Skill related courses

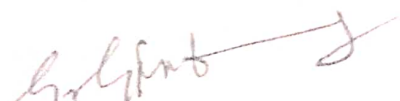

5. 86% of students responded the usage of ICT tools as excellent, 8% as very good and 6% as good.

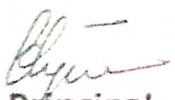

6. Regarding opportunity to participate in internship, student exchange, field visits, majority responded as excellent. But some of the students suggested for more number of Industrial visits and internships.

7. In response to opportunities for certificate courses/ value added courses students are fully satisfied as different departments organised these course in every semester.

8. Students felt happy with the LAB component available in the college but required more time for Computer labs for practice.

These suggestions were communicated to the convenor of Academic Council and to the Governing Body for the proper redressal of suggestions.

Analysis of Teachers Feed Back

2021-22

Internal Quality Assurance Cell of A. G & S.G. Siddhartha Degree College of Arts & Science, Vuyyuru has obtained Feedback on Curriculum from 54 faculty members for the academic year 2021-22. They have given the feedback on the following Questionnaire.

1. Course content is designed according to recent trends in all the semesters
2. Innovative teaching methodologies are adopted for each course
3. Curriculum and Syllabus are need based
4. Existing learning resources are utilised to the maximum limit
5. The course has good balance between theory and application
6. The framed Cos and PSOs are mapping to the industry needs
7. Whether the learning outcomes of the courses are achieved
8. The course outcomes are well defined and clear
9. Sufficient number of relevant reading materials and digital resources are available in the Library
10. I have compared this syllabus with those of other college / university to ensure competence

ANALYSIS

1. 93% of the faculty agreed that the course content is designed according to recent trends in all the semesters but suggested to add topics on yoga
 2. 83% of the faculty agreed that though innovative teaching methodologies are adopted for each course application of ICT facilities must be improved.
 3. 85% of the faculty highly appreciated that the Curriculum and Syllabus are need based and suggested that career oriented coaching is required for Life Sciences.
 4. 87% of the faculty agreed that the learning resources are utilised to the maximum limit
 5. Majority of faculty felt that the framed Cos and POs are relevant to the industry needs
 6. Almost all the faculty opined that course outcomes are well defined and clear and the learning outcomes of the courses are achieved.
 7. The faculty felt that the reading materials and digital resources in the Library are good and suggested that books for competitive exams are not in sufficient number.
 8. 94% of teachers felt the necessity of comparison of syllabus with other colleges and Universities to incorporate any need based syllabus in the forth coming year.
- Overall feedback analysis reveals teachers' satisfaction with syllabus content, Innovative teaching methodologies and learning outcomes of the courses.

Analysis of Alumni Feed Back
2021-22

Internal Quality Assurance Cell of A. G & S.G. Siddhartha Degree College of Arts & Science, Vuyyuru has obtained Feedback on Curriculum from 150 alumni for the academic year 2021-22. They have given the feedback on the following

1. The knowledge and experience you gained in the College has impact on your Personality
2. Does the course curriculum facilitate enhancement of skills?
3. Is the course design applicable to real life situation?
4. Does the curriculum helpful to you with your employment/higher education
5. The balance between theory and applications in curriculum is good
6. The contents of the Syllabus were revised at reasonable intervals
7. The institute-industry interaction / MoUs were useful for me
8. The college offers sufficient learning support for student
9. The learning ambience of the college is good
10. All the academic processes of the college are transparent
11. Did the course structure evoke research aptitude?

Analysis of the Feed Back

- 93% of alumni opined that knowledge and experience gained in the College had a positive impact on their personality development.
- 80% of alumni unanimously accepted that course curriculum improved the scope for development of skills
- Majority of alumni strongly agreed that course design is applicable to real life situation
- Majority agreed that curriculum is relevant to the overall development of a student including higher studies and job placements
- Alumni agreed that the balance between theory and applications in curriculum is good.
- 80% of alumni strongly agreed that contents of the Syllabus were revised at reasonable intervals and suggested for certain improvement
- Majority of alumni felt that the MoU's are taken by the institution with industries but suggested to increase placement opportunities
- 87% of the alumni opined that the learning support offered by the college is excellent in this rural area and the learning ambience is good as the college is a green campus.
- All have happily accepted that the academic processes of the college are transparent.
- 87% of the members strongly accepted that course structure evokes research aptitude but some suggested enhancing research aptitude.

Analysis of Employers Feed Back
2021-22

Internal Quality Assurance Cell of A.G & S.G. Siddhartha Degree College of Arts & Science, Vuyyuru has obtained Feedback from 10 Employers for the academic year 2021-22. They have given the feedback on the following

1. Curriculum is relevant for employability
2. Syllabus is effective in developing skill oriented human resources
3. Effectiveness of curriculum for development of employability
4. Does the present curriculum meet the industry norms or needs?
5. How do you rate the quality of the students of AG & SG Siddhartha Degree college of Arts & science, Vuyyuru?
6. The proficiency of our students working with you
7. Their reliability, honesty and hardworking nature
8. Competency level of students.
9. Ability to take up extra responsibility
10. Ability to contribute to the goal of the organization.

ANALYSIS

1. In response for curriculum is relevant for employability and higher education 80% responded as very good and 20% felt the need to focus on the curriculum related to employability.

2. 76% employers are satisfied with the syllabus effectiveness for employability and developing skills.

3. 70% of the employers felt that the present curriculum is effective for the development of employability but suggested for improvement of Communication skills.

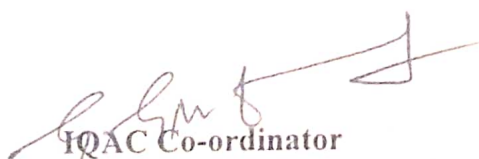

4. Majority of the employers felt that present curriculum meet the industry norms

5. Almost all the employers rated the proficiency, reliability, honesty and hardworking nature of the students as very good.

6. Majority of the employers felt that the ability to take up extra responsibility is very good.

7. Regarding ability to contribute to the goal of the organization 80% expressed their opinion as very good and remaining 20% opined as good.

The statistical representation of the feedback obtained clearly shows that majority of the employers are well satisfied with the curriculum of A.G. & S. G. College along with honesty and hardworking nature of the students. However, they suggested adding more skill base courses.

Analysis of Student Feed Back on Curriculum
2022-23

Internal Quality Assurance Cell of A.G & S.G. Siddhartha Degree College of Arts & Science, Vuyyuru has obtained Feedback on Curriculum from 600 students for the academic year 2022-23. They have given the feedback on the following Questionnaire

1. Whether the curriculum designed is useful to your career prospects?
2. Whether courses included in the curriculum relevant to the current job market needs?
3. Did the Syllabus for each subject indicate recent trends?
4. Did the syllabus incorporate topics that are application oriented?
5. Do you feel that the course content has fulfilled your expectations from the course?
6. Do you think that the subjects taught in each semester were organized appropriately?
7. Usage of teaching aids and ICT in the class by faculty to facilitate teaching
8. Opportunity to participate in internship, student exchange, field visits
9. Opportunities for Certificate/ Value added programmes
10. How do you rate the percentage of courses having LAB component?

Analysis

1. The analysis of the student's feedback shows their satisfaction with the curriculum design and is useful for their career.
2. In response to the question curriculum is relevant to the current job market needs 93 % responded as excellent and requested for market-oriented programs.
3. 90% of students opined that syllabus content related to recent trends and the topics that are application oriented are very good but suggested to introduce courses on Communication Development Skills.
4. Regarding the question the subjects taught in each semester were organized appropriately 93% responded as excellent and remaining 7% as good
5. 82% of students responded the usage of ICT tools as excellent, 18% as very good and good but some students felt the need of ICT more in practical's
6. Regarding opportunity to participate in internship, student exchange, field visits, majority responded as excellent. But some of the students suggested for a greater number of Industrial visits and Internships.
7. In response to opportunities for certificate courses/ value added courses students are fully satisfied as different departments organised these courses in every semester.
8. 84% of students felt happy and responded as excellent with the LAB component available in the College and remaining 16% stated as very good and good.

These suggestions were communicated to the convener of Academic Council and to the Governing Body for the proper suggestions.

Analysis of Teachers Feed Back

2022-23

Internal Quality Assurance Cell of A. G & S.G. Siddhartha Degree College of Arts & Science, Vuyyuru has obtained Feedback on Curriculum from 40 faculty members for the academic year 2022-23. They have given the feedback on the following Questionnaire.

1. Course content is designed according to recent trends in all the semesters
2. Innovative teaching methodologies are adopted for each course
3. Curriculum and Syllabus are need based
4. Existing learning resources are utilised to the maximum limit
5. The course has good balance between theory and application
6. The framed Cos and PSOs are mapping to the industry needs
7. Whether the learning outcomes of the courses are achieved
8. The course outcomes are well defined and clear
9. Sufficient number of relevant reading materials and digital resources are available in the Library
10. I have compared this syllabus with those of other college / university to ensure competence

ANALYSIS

1. 92.5% of the faculty agreed that the course content is designed according to recent trends in all the semesters
 2. 87.5% of the faculty agreed that though innovative teaching methodologies are adopted for each course, application of ICT facilities must be improved.
 3. 90% of the faculty highly appreciated that the Curriculum and Syllabus are need based and suggested need training on technologies required for placements
 4. 92.5% of the faculty agreed that the learning resources are utilised to the maximum limit
 5. Majority of faculty felt that the framed Cos and POs are relevant to the industry needs
 6. Almost all the faculty opined that course outcomes are well defined and clear and the learning outcomes of the courses are achieved.
 7. The faculty felt that the reading materials and digital resources in the Library are good and suggested that books for new programs like B.Sc. aquaculture and B.Sc. MSCs are not sufficient in number.
 8. 87% of teachers felt the necessity of comparison of syllabus with other colleges and Universities to incorporate any need-based syllabus in the coming year.
- Overall feedback analysis reveals teachers' satisfaction with syllabus content, Innovative teaching methodologies and learning outcomes of the courses.

Analysis of Employers Feed Back

2022-23

Internal Quality Assurance Cell of A.G & S.G. Siddhartha Degree College of Arts & Science, Vuyyuru has obtained Feedback from 15 Employers for the academic year 2022-23. They have given the feedback on the following Questionnaire

1. Curriculum is relevant for employability and higher education
2. Syllabus is effective in developing skill oriented human resources
3. Effectiveness of curriculum for development of employability
4. Does the present curriculum meet the industry norms or needs?
5. How do you rate the quality of the students of AG & SG Siddhartha Degree college of Arts & science, Vuyyuru?
6. The proficiency of our students working with you
7. Their reliability, honesty and hardworking nature
8. Competency level of students.
9. Ability to take up extra responsibility
10. Ability to contribute to the goal of the organization.

ANALYSIS

1. In response for curriculum is relevant for employability and higher education 80% responded as very good and 20% felt the need to focus on the curriculum related to employability.

2. 80% of employers are satisfied with the syllabus effectiveness in developing skills.

3. 87% of the employers felt that the present curriculum is effective for the development of employability but suggested for special coaching Classes for improvement of Communication and Soft skills.

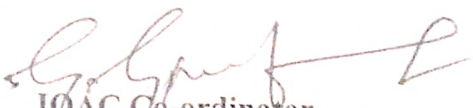

4. 80% of the employers felt that though present curriculum meets the industry needs, and suggested the placement cell to conduct mock interviews.

5. Almost all the employers rated the proficiency, reliability, honesty and hardworking nature of the students as very good.

6. Majority of the employers felt that the ability to take up extra responsibility is very good.

7. Regarding ability to contribute to the goal of the organization 80% expressed their opinion as very good and remaining 20% opined as good.

The statistical representation of the feedback obtained clearly shows that majority of the employers are well satisfied with the curriculum of A.G. & S. G. College along with honesty and hardworking nature of the students. However, they suggested adding more skill base courses.
