PREAMBLE

K.C.P Sugar and Industries Corporation Ltd, Vuyyuru is one among the leading sugar manufacturing companies in India. Its allied business consists of manufacturing and marketing of Rectified Spirit, Extra Neutral Alcohol, Ethanol, Incidental Cogeneration of Power, Organic Manure, Mycorrhiza Vam, Calcium Lactate and CO₂. Company has two sugar factories located in Krishna District Andhra Pradesh having an aggregate crushing capacity of 11,500 tons per day.

A.G. & S.G. Siddhartha Arts & Science Degree College, Vuyyuru was established in 1975 by the Adusumilli Gopalakrishnaiah Technological Association on the request of many farmers of the area growing sugarcane with the support of local philanthropists and sugarcane growers of the area. Subsequently, "Velagapudi Ramakrishna and Sugarcane Growers Educational and Welfare Society" was formed to obtain financial support to the institution. The KCP Management which was looking after the institution found it difficult to support it any longer because their attention was confined to industries and hence they approached Siddhartha Academy of General & Technical Education, Vijayawada, a well-known Society that started and has been running more than a dozen educational institutions ever since the year 1975 to take over the Degree and Junior Colleges into their fold through a process of amalgamation of their Society with Siddhartha Academy. Accordingly, the institution has come to be managed by Siddhartha Academy with effect from May 2001. The college is located in an independent campus of 12.93 acres in the center of the town in ideal surroundings.

A.G. & S.G. Siddhartha Arts & Science Degree College, Vuyyuru was established in 1975 by the Adusumilli Gopalakrishnaiah Technological Association on the request of many farmers of the area growing sugarcane with the support of local philanthropists and sugarcane growers of the area. Subsequently, "Velagapudi Ramakrishna and Sugarcane Growers Educational and Welfare Society" was formed to obtain financial support to the institution. The KCP Management which was looking after the institution found it difficult to support it any longer because their attention was confined to industries and hence they approached Siddhartha Academy of General & Technical Education, Vijayawada, a well-known Society that started and has been running more than a dozen educational institutions ever since the year 1975 to take over the Degree and Junior Colleges into their fold through a process of amalgamation of their Society with Siddhartha Academy. PREAMBLE

K.C.P Sugar and Industries Corporation Ltd, Vuyyuru is one among the leading sugar manufacturing companies in India. Its allied business consists of manufacturing and marketing of Rectified Spirit, Extra Neutral Alcohol, Ethanol, Incidental Cogeneration of Power, Organic Manure, Mycorrhiza Vam, Calcium Lactate and CO₂. Company has two sugar factories located in Krishna District Andhra Pradesh having an aggregate crushing capacity of 11,500 tons per day.

A.G. & S.G. Siddhartha Arts & Science Degree College, Vuyyuru was established in 1975 by the Adusumilli Gopalakrishnaiah Technological Association on the request of many farmers of the area growing sugarcane with the support of local philanthropists and sugarcane growers of the area. Subsequently, "Velagapudi Ramakrishna and Sugarcane Growers Educational and Welfare Society" was formed to obtain financial support to the institution. The KCP Management which was looking after the institution found it difficult to support it any longer because their attention was confined to industries and hence they approached Siddhartha Academy of General & Technical Education, Vijayawada, a well-known Society that started and has been running more than a dozen educational institutions ever since the year 1975 to take over the Degree and Junior Colleges into their fold through a process of amalgamation of their Society with Siddhartha Academy. Accordingly, the institution has come to be managed by Siddhartha Academy with effect from May 2001. The college is located in an independent campus of 12.93 acres in the center of the town in ideal surroundings.
