

Research Policy

RESEARCH POLICY

1. Aims of the Research Policy

1. The Research Policy was discussed and accepted in the Academic Council 2014- 15 meeting.
2. The research policy of the college aims to create and support a research culture among its teachers, staff and students and for enriching and enhancing the professional competence for developing and promoting scientific temper and research aptitudes, for realizing the 'vision' and 'mission' of the institution and for contributing to national development.
3. It also aims at ensuring that the research activities of the college conform to all applicable rules and regulations as well as to the established standards and norms relating to staff and ethical conduct of research.

2. Scope of the Research Policy

This policy shall apply to all the scholars of the college undertaking research and for the purpose of this policy 'researchers' are defined to include

- All staff, temporary and permanent, who are active in teaching, research, administration and provision of any form of support to the core functions of the college;
- All students studying in the college;
- All mentors, guides, external experts and sponsors associated with any of the research activities of the college

This policy will apply to all the research and related activities of the institution and activities will include

- Knowledge compilation and communication initiatives for keeping abreast of academic developments such as writing of textbooks or chapters, monographs; developing/updating curriculum, etc.
- Creative activities involving the generation of new innovative ideas, hypotheses, images, performances, including design in any field of knowledge which leads to the development of new knowledge, understanding or expertise;

- Research projects of students and scholars undertaken as part of the curriculum or proposals for enriching it
- Publications, presentations and communication of the research outcomes and related activities.
-

3. RESEARCH OBJECTIVES (AUTONOMOUS)

This research policy provides a broad framework to guide scholarly research with the following objectives:

1. To create and promote a culture of research among the faculty and students of A.G &S.G Siddhartha degree college of arts and science (Autonomous).
2. To identify research areas and specify research topics of academic, practical and socially relevant significance
3. To organize seminars/conferences/workshops on research topics and training programmes in research methodology and various areas.
4. To ensure quality, integrity and ethics in research.
5. To publish research papers in appropriate journals and to make available such published information to the end users.
6. To facilitate the publication of reports submitted by the faculty and students.
7. To give incentives to faculty for the publication of papers.
8. To bring about an annual/periodic compendium of abstracts/papers presented by the staff and students in various seminars / conferences / workshops.
9. To create awareness in the society through various research initiatives and by giving due publicity to the socially useful research projects that will be undertaken by the college.
10. To establish Research Center in different disciplines with emphasis on socially relevant topics.
11. To encourage faculty members to publish research papers, undertake various research projects of social and academic importance and to give incentives to faculty for the publication of papers.

Composition of Research Cell Research

Cell will have the following composition

Principal – Chairperson

Coordinators –IQAC

Coordinator Academic

Coordinator UGC Coordinator

Teacher Members -One from Arts One from Commerce One from Science

Industry/Academia representative - Member

Two student representatives – Members

Research Policy implementation mechanism

The college shall have a well-defined research quality which shall act as a guideline for the scholar, teachers and all other concerned personnel.

1. To encourage original quality basic and applied research in the fields science, literature commerce and all related and other relevant fields.
2. To identify the emerging areas of research and encourage the faculty members to undertake research in these areas.
3. To establish linkage with industries and business organizations to identify potential areas of research, surveys and other basic research enquiry.
4. To acquire projects, market surveys and other research activities to acquire assistance from other business houses, industries, NGOs, boards and forums.
5. To encourage faculty members to get research projects from National Funding agencies like SERB, DBT, DST, ICSSR, UGC and other such institutions.
6. To identify faculty members who can work as leaders in the field of research and encourage them to undertake research projects, studies and surveys.
7. To provide financial assistance for publication of research papers and research findings.

8. To offer a suitable platform to the faculty members and students of A.G &S.G Siddhartha degree college of arts and science to publish their research findings and encourage them to bring to the notice of society issues of contemporary importance.
9. To organize various workshops/seminars to develop appropriate research skills among the scholars and faculty members.
10. To depute faculty members to various workshops, symposia, seminars and conferences in their respective fields as well as in areas of contemporary importance.
11. To establish suitable infrastructure in the college that will help to undertake different research projects.
12. To enrich information and data resources suitable for undertaking quality research projects and enquires.
13. To undertake all other such activities which will inculcate research culture in the college.

RESEARCH COMMITTEE MEETING-1

The minutes of the meeting research committee held at principal's chamber on 08-08-2022 at 3.00 PM. All the members of research committee attended to discuss about agenda regarding research activities and Convenor of Research Committee presided over the meeting. The following agenda is discussed and resolved with respective resolutions.

Agenda:

1. To discuss about the revised incentives provided by the management for the faculty of A.G & S.G Siddhartha Degree College of Arts and Science towards the purpose of publications with indexed Journals.
2. To discuss about applying for Research Projects (Major and Minor), by the staff members.
3. To discuss about providing incentives for participations and presentations in International and National workshops and seminars.
4. To discuss about conducting National Level Workshop in the month of December and National Level Workshop in the month of February.
5. Any others matter.

Resolutions:

1. Resolved and recommended by Research Committee to give the incentives provided by the management for the faculty of A.G & S.G Siddhartha Degree College of Arts and Science towards the purpose of publications with indexed journals.

2. Resolved and recommended for applying for research project (Major and Minor) by the staff members.
3. Resolved and recommended by Research Committee for providing incentives for participations and presentations in International and National Workshops, Seminars.
4. Resolved to organize one Day National Level Workshop on "Research Methodology – An Interdisciplinary approach" in the month of December and One Day National Level Workshop on "Sustainable Aquaculture Management" in the month of February.
5. Resolved to provide incentives for the following faculty towards publications in the research journals, appreciated by principal to Dr.G.Giri Prasad, Sri N.Vasantha Rao and Ms.A.N.L.Manohari.

About the College

The AG & SG Siddhartha Degree college of Arts & Science is an autonomous academic institution of higher learning located at Vayyura, 25 KM from Vijayawada in Krishna District A.P. This College was established in 1975 to take education to the door steps of the rural people of this area. Since its inception the college has been catering effectively to the educational needs of the local aspirants besides fostering values to shape students into discipline and responsible citizens. In tune with the momentum of changing trends in education at national and international levels. The college has adopted the programmes in arts and science disciplines.

At present the college is offering Ten under graduate programmes of B.A, B.Com, B.Com(CA, E-Commerce-Computers) B. Sc(MPC, MPCs, MSCs, MCCs), BZC, Acqua Culture and Two Post Graduate Programmes of MSc Chemistry and MSc Computers Science. The College has well furnished class rooms, A library with more than 60000 books, over 100 journals and magazines, Fully equipped laboratories, E Classroom, RLISA Digital lab, Virtual Classrooms, English language lab, Internet facilities, well maintained indoor and outdoor stadium cum auditorium, Gymnasium and a playground.

The staff works with dedication and renders service to secure creditable results. The management involves actively in every aspect of students, progress and career to prepare the youth of this rural area for a bright future in this globalised world besides imparting knowledge and skills that make them highly qualified human resources and to make them responsible citizens.

The college has been assessed and accredited with Grade 'A' CGPA of 3.05 by the National Assessment and Accreditation Council (NAAC). The College has been certified with the ISO-9001:2015

Venue:

Seminar Hall, AG & SG Siddhartha Degree College of Arts & Science,
Vayyura

Workshop Aims

The workshop aims to explore the basic dimensions of research and the need for faculty, research scholars, and P.G. students to rethink the assumptions that underline historic paradigms of research in the field of sciences. It is designed to provide participants with a hands-on approach to conducting research. On completion of the workshop, participants would develop the skills to review the literature. Develop a hypothesis, frame research design, identify sampling techniques, and comprehend the role and relevance of the tools for data collection and analysis. The day workshop will be exposing the participants to theoretical input on quantitative research methods, and economics tools, followed by fieldwork based on syndicates. This workshop is intended to help faculty, research scholars, and P.G. students.

Workshop Objectives

1. To provide knowledge on Research Methodologies and design aspects.
2. To provide hands-on training on data analysis tools such as mean, mode, factor analysis, and application of Statistical Packages for Social Science (SPSS) and R2.
3. To get knowledge from the participants on how to write scientific manuscripts writings and review process.
4. To provide a comprehensive review of sources and characteristics of constraints typically found in the construction of research design;
5. To review current trends and practices and research in regards to constraint modeling;
6. To study the Socializing Library Services/Social media applications
7. To understand Social and Human Elements of Information Security
8. To discuss current issues, recent developments and their impact, and future challenges.

One Day National Workshop on

“Research Methodology-An Interdisciplinary Approach”

On 13th December, 2022

Brief Report

The Department of Chemistry organized a one-day National Workshop on “Research Methodology - An Interdisciplinary Approach” on 13th December-2023. The workshop was greatly useful in throwing light on those concepts which were difficult to learn in the regular classroom. The expertise of the Resource Persons helped the students to understand the various concepts in the realm of “Research Methodology-An Interdisciplinary Approach”.

The Workshop commenced with the Lighting of Lamp by Lighting the Lamp by Prof. K. Rama Mohana Rao, Vice Chairman, APSCHE, and Sri. K. Satyanarayana (Principal), Dr. V. Sreeram Head P.G Chemistry, A.G& S.G. Siddhartha Degree College, Prof. L.K Mohan Rao (Academic Adviser Siddhartha Academy of General and Technical Education), Dr. P. V. Brahmachari, Krishna University- Machilipatnam, Dr. T. Chandra Sekhar, Yogi Vemana University, Cudapa., Dr. Ch. Jaya Shankar Prasad, Krishna University- Machilipatnam and Prof. Rajesh C. Jampala, P.B. Siddhartha College, Vijayawada, Dr. G. Giri Prasad, IQAC Coordinator (Organizing Secretary) & members of the seminar. The program was started with Vandemataram.

About the work shop by Dr. V. Sreeram

Prof. K.Rama Mohana Rao Speak about the workshop

Sri. K.Sathyanarayana and faculty members Felicitate to Prof. K.Rama Mohana Rao

Sri K. Satyanarayana, in his Presidential remarks, said that the program was a great opportunity for the students to learn a new concept in Research Methodology. This could be categorized under the student exchange program. He said he would be looking forward to hearing the feedback of the students in the evening.

Dr. V. Sree Ram requested the participants to the expertise of the Resource Persons in the different sessions of the seminar.

Prof. L.K Mohan Rao (Academic Adviser) said that A.G. & S.G.S. College Committee was always ready to promote such learning initiatives and felt that the seminar would give a chance to learn the latest developments in the subject of Research Methodology. In A.G. & S.G.S. College, he said, "such events are felt as highly valuable". He felt that the IQAC was making the College proud by organizing such a Workshop.

The Inaugural Session concluded with a Vote of Thanks by Sri J. Nageswara Rao.

The flow of the workshop:

The Lecture seminar contained altogether 4 (Four) invited talks distributed among 4 resource persons in various sessions.

In the first session of the speaker, Dr. P. V. Brahmachari, Krishna University-Machilipatnam delivered a talk – Definition and Introduction, History of Research, Benefits of Research, uses of Research, He discussed various questions in Research with the participants. There was also good participation from the student's side, making the session very interactive towards the ending of the session.

First session speaker, Dr. P. V. Brahmachari

In the second session of the speaker, Dr. T. Chandra Sekhar, Yogi Vemana University-Cudapa delivered a talk–Definition and Introduction, Research Proposals, how to get funding projects. He discussed various questions in Research with the participants. There was also good participation from the student's side, making the session very interactive towards the ending of the session.

Second session speaker, Dr. T. Chandra Sekhar

In the third session of the speaker, Dr. Ch. Jaya Shankar Prasad, Krishna University-Machilipatnam delivered a talk- Meaning of Research-Definitions of Research-Motivation in Research-General Characteristics of Research-Criteria of Good Research-Types of Research-Research Process-Research Methods. Methodology-Defining and Formulating the Research Problem - Review of Literature - Approaches to Critical Literature Review - Importance of Literature Review in Identifying Research Gaps and Defining a Problem - Development of Working Hypothesis. He discussed various questions in Research with the participants. There was also good participation from the student's side, making the session very interactive towards the ending of the session.

Third session speaker, Dr. Ch. Jaya Shankar Prasad

In the fourth session of the speaker, Prof. Rajesh C. Jampala, P.B. Siddhartha College-Vijayawada delivered a talk- Basic measurement scales - Reliability & Validity - Definition and Types of Hypothesis -Hypothesis Formulation and Testing Procedure - Overview of Data Analysis: Methods, Process and Types - Report Writing: Significance of Report Writing, Different Steps in Writing Report, Layout of the Research Report, Types of Reports, Oral Presentation, Mechanics of Writing a Research Report, Precautions for Writing Research Reports- How to Write a Research Proposal, Research Ethics Conflict of Interest and Plagiarism. He discussed various questions in Research with the participants. There was also good participation from the student's side, making the session very interactive towards the ending of the session

Fourth session speaker, Prof. Rajesh C. Jampala

The Unique feature of the workshop is attracting many young students and staff members. As nearly 80 students and 11 faculty members from different institutions have voluntarily come forward to participate in the seminar.

A discussion cum feedback session was arranged on the one day of the workshop. The feedback was highly positive indicating further that the four sessions were informative as well as interactive. The resource persons addressed the participants and motivated them to undertake research in the field of research Methodology. The workshop ended with a valedictory function as a chief guest Prof. Rajesh C. Jampala, P.B. Siddhartha College-Vijayawada. The valedictory session concluded with a vote of thanks by Sri. J. Nageswara Rao and it was concluded with the National Anthem.

Certificates Distributions session

Vote of Thanks by Sri. J. Nageswara rao

We thank the management of Siddhartha Academy of General and Technical Education for the financial support for the workshop. We also thank the teaching and non-teaching staff of our college, print & electronic media. The student volunteers from the department of chemistry made this event successful and I thank them for their co-operation and hard work.

INTELLECTUAL PROPERTY RIGHT (IPR) CELL

INTELLECTUAL PROPERTY RIGHT CELL

IPR POLICY AND FEATURES

IPR describes about registered design, covering patents, copyright, layout design and trademarks, trade secrets, integrated circuits, anti-competitive practices and geographical indicators in contractual licenses.

The Intellectual Property (IPR) could be achieved in the following forms:

1. Patent
2. Industrial design
3. Trademark
4. Copyright In the form of plans, specifications, guidelines, graphics, training materials, software programs, records, drawings, instruction guides, student materials, new techniques, algorithms, concepts of confidential Information, Technical know-how, Mask works, Process.

About the Intellectual Property: IP is an intangible knowledge and shall mean and include— all results, conclusions, deductions, inventions, ideas, improvements, discoveries, enhancements, solutions, processes, modifications, know-how, data and information of every kind and description conceived, generated, made, or reduced to practice as the case may be, designs, software programmes, genetically engineered microorganisms, business models and copyrightable work- resulting from the intellectual output of the faculty, staff, students, research scholars and other employees of the Institute. IP is, thus, an outcome of the Institute supported research or sponsored research, industrial consulting or other forms of joint research and development work. Although, a patent application accompanied with provisional application does not confer any legal rights to the applicants, it is, however, a very important document to establish the earliest ownership of an invention.

1. **Exceptions for Patent:** However, inventions claiming substances intended for use; or capable of being used, as food or as medicine of drug or relating to substances prepared or produced by chemical processes (including alloys, optical glass, semi-conductors and inter-metallic compounds) are not patentable.
2. **Whether Patent can be revoked:** As it is conferred by the state, it can be revoked by the state, it can be revoked by the state in certain cases even after grant, and whether or not it has been in the meantime sold or licensed.
3. **Contest / Conflict with sponsoring agency:** Where the sponsoring agency is not forthcoming for filing joint IPR application, the Institute, at its discretion, may file the

application with the absolute ownership and will meet the entire cost of securing and protection of IPR. Copyright: Patent seeks to protect the applied and extension research, the law of copyright seeks to protect pure or basic research.

4. If the intellectual property is an outcome of joint research undertaken by the Institute personnel with external organizations /agencies/individuals, the IP will be owned jointly by the Institute and the collaborators. In case of joint ownership, the Institute will offer the first right to commercially exploit the joint IP, whether or not the same has been formally protected by patent(s).
5. **IP Counselling:** IPR cell will counsel and interact with inventors of potential intellectual products and assist the Institute in identifying the IPR potentials.

IPR Cell

1. In case the Cell recommends for filing of patents, the Convener, IPR Cell will process the application through one of the approved attorneys from the panel maintained at the IPR Cell.
2. If any copyrightable work is produced during the course of any sponsored /or collaborative activity, the ownership of copyright will be determined either according to the terms and conditions (related to IP) specified in the contract, if any, governing such activity or through mutual consultations and agreement with the sponsoring/collaborating agency.
3. Services from the Cell can be availed by
 - a. All the faculty members, and students of A.G & S.G College, has set in place, systems and mechanisms to structure the process of commercial exploitation of the knowledge generated at A.G & S.G College under the provisions of IPR regime in the country.
 - b. **Services provided by the IPR Cell:** The cell provides knowledge regarding a new substance or compound or yield Obtained from any field or lab can avail the commercial place for sales under trade name or brand name of particular place or goods with IPR.

MUSHROOM CULTIVATION

In present days the importance of promoting innovation ecosystem in Universities and Colleges by motivating students to transform that entrepreneurs. A.P State Council of Higher Education and The National Assessment and Accreditation Council (NAAC) also underline the importance of Innovation in Higher Education Institution. The National Education Policy (NEP) 2020 emphasizes to focus on research and innovation through start-up and incubation centers.

In this connection I would like to give details of entrepreneur and startup business on **Mushroom cultivation**. The main aim of the startup is to get self employment and earn – while - learn concept.

Studentd invested around Rs. 7000/- during Covid -19 pandemic situation for self employment. For First yielding of cultivation he earned Rs. 6000/- rupees. Till now Students cultivated 5crops and earned Rs. 30,000/-.

Students marketed to neighbors in primary stage of business. As business improved students planed promote marketing to the Raithu bazaar and his surrounding villages.

Students are continuing mushroom cultivation which is motivation for other students also to start up business as such and they may get “self employment to lead there life in better way”.
