### **Report on the guest lecturer:**

#### **Objectives:**

- Empathy and Understanding
- Clarity and Conciseness

#### **Notes on lecture**

In this modern time we live in; we are receiving, sending, and processing a large number of messages every day. But successful communication is far more than sharing information; it is also an understanding of the feelings behind this information. Successful communication can deepen relations in personal life or professional life. In personal life, they can help us understand better people and situations that happen on a daily basis. Developing communication skills can help us avoid conflicts compromise, and help in better decision making.

#### **Outcome**

- Students were able to understand reading and writing Remembering and understanding.
- Students learnt to have a strong sense of identity.
- Students are connected with and contribute to their world.
- Students were able to have a strong sense of wellbeing.
- Students turn to be confident and involved learners.
- Students can be effective communicators.
