Report:

Information and Library Network Centre (INFLIBNET)

The N-LIST project provides access to e-resources to students, researchers and faculty from colleges and other beneficiary institutions through server(s) installed at the INFLIBNET Centre.

Library professionals working in university libraries especially in acquisition section of the library who are interested in learning OCS tools for copy cataloguing and data contribution for their library, students, Information Scientists, System Administrator etc.

Information and Library Network (INFLIBNET) is an autonomous Inter-University Centre of the University Grants Commission (UGC). The objectives of the Centre are to modernize libraries and information centers for information transfer and access, to support scholarship, learning and academic pursuit by establishing a national network of libraries and information centers in universities, institutions of higher learning and R & D institutions in India. Creation of national union database (Ind Cat), development of an integrated library management software (SOUL 2.0), human resource development, on-site training, providing bibliographic information services, extending technical help and guidance from time to time to academic libraries in automation and networking are some of the major activities of the centre. The centre provides access to e resources and Internet connectivity to universities under the UGC-Info net connectivity programme and UGC-Infonet Digital Library Consortium. The Centre also provides access to 3800 e-journals and 80000+ e-books to the colleges in India through programme entitled ‘National Library and Information Services Infrastructure for Scholarly Content (N-LIST)

Conclusion:

To promote and establish to student communication facilities to improve student's capability in information transfer and access that provide support to students and scholarship, learning research and academic pursuit through cooperation and involvement of agencies concerned.
